PRESENTATION

About MIIF

The **Monaco International Investment Forum (MIIF)** has been an annual gathering hosted since its inaugural edition at the prestigious **Yacht Club de Monaco.** This exclusive Forum brings together entrepreneurs, family offices, investment partners and innovative companies, and offers a unique platform to explore diverse and complementary investment opportunities and asset classes in a single location.

Since its inception, the MIIF has enlarged its reach, attracting an increasingly international audience of businesses and individuals. The decision to expand MIIF to **strategic locations outside Monaco** reflects the vision to strengthen its area of influence at international level, leveraging the **investment connections with the Monaco** business ecosystem.

Renowned for its professionalism, integrity, and capacity to foster synergies, the Forum covers an important market niche. To ensure the highest standards possible, the attendance of businesses and attendees is determined through a **meticulous selection process.**

The 2026 Monaco edition marked a significant increase in scale and visibility, also thanks to the partnership with The Interministerial Delegation in Charge of Digital Transition of the Government of the Principality of Monaco, confirming the forum's growing relevance within Monaco's investment and innovation ecosystem.

Our vision & plan

The MIIF vision is built on a strong commitment to excellence. Through meticulous workflows and stringent due diligence, we have established ourselves as a relevant partner for businesses and individuals. MIIF has established itself as a reference platform for private capital in the Principality of Monaco, fostering growth, innovation, and unparalleled investment opportunities.

In November 2025 MIIF Expanded to Dubai with the first MIIF DUBAI edition hosted at the prestigious Bvlgari Yacht Club.

Our target is not only to **elevate the businesses** we team up with but also to create a network of opportunities where **premier international investors** converge. After launching MIIF in the Principality of Monaco, we are working now on new destinations in strategic markets to offer a **global opportunity** to our partners. With MIIF, strategic partnerships are nurtured, ambitions are realized, and potential is maximized. We open doors to a world of exclusive possibilities, setting the gold standard for investment and collaboration in one of the world's most prestigious financial hubs.
