WORK STATIONS

On this MIIF's third edition, there are several exhibiting companies.

These enterprises work at an international level and in different fields to give attendees the broadest pool of opportunities.

In the next slides you will find a brief introduction of each work station.

GIANO CAPITAL

Giano Capital is a pan-European Venture Capital firm investing in European Last-Stage companies in the tech and digital space primarily through secondaries. With our unique investment strategy we are providing VC returns with a PE risk - best balance of risk/reward. We are currently raising a € 50 M Fund. Giano Capital was founded and managed by Alberto Chalon, an internationally renowned serial entrepreneur and Andreas Wiele, one of Germany's most prolific media and tech executives.
